

Date-wise assignment plan for the low achievers for the winter vacation 2016-17

CLASS X

DATE	ENGLISH	MATHS	SCIENCE	SST
24/12	Summary- Shady Plot	Quadratic eqns-std form, 2 eqs, 4 problems from ex:4.1. Solutions of QE by factorization – 5 problems, completing square -5 problems, quadratic formula – 5 problems from text book	5 SA & 5 VSA questions from - Light	Summary of points of the lesson- Globalisation and the Indian economy
25/12	10 extra qns from Shady Plot	Quadratic eqns- Nature of roots-discriminant values to decide roots of the eqn-5 problems from ex:4.4	Numerals from the lesson – Light	Short and very short ans from –Nationalism in Europe
26/12	Summary of Patol Babu	Circles-ex:10.1 eg. 1,2,3 Theorem 10.2	Short answers 10 nos Reproduction	long ans (2)from – Nationalism in Europe
27/12	10 extra qns from Patol Babu	Circles. Ex:10. Qns-1,2,3,4,5,2	Long ans with diagram from - Reproduction	long ans (3)from – Nationalism in Europe
28/12	Summary of Ozymandias	Circles-ex.10.2 write ans of qns 6 to 11	Short and very short ans 10 nos –lesson Carbon AND COMPOUNDS	Short and very short ans from –Political Parties
29/12	Summary of Ancient Marine Part-I	Constructions- draw any construction of 11.1 type	Equations and structural formula(5+5) Carbon AND COMPOUNDS	long ans questions from – Political Parties (2)
30/12	Summary of Ancient Marine Part-II	Constructions- draw any construction of 11.2 type	Preparation and properties in classification of elements	Short ans questions from –Political Parties
31/12	Summary of Julius Caesar upto Caesar's murder	Constructions- draw any construction of 11.3 type	Different theories in classification of elements	long ans questions from – Political Parties
01/01	Summary of Julius Caesar upto Caesar's murder	Answer all the questions of FA3 paper	Short and very short answers(10) –Periodic Classification	Short and very short ans from –Globalisation and the Indian economy
02/01	Summary of Julius Caesar – from Caesar's murder to Brutus's speech	Arithmetic progression-write summary points (5) do any 10 problems from ex:5.1 qns-1,2,3,4	Ray diagrams - Light	long ans questions from – Globalisation and the Indian economy
